Dear Robert,

I've been out of the country for the past week and wanted to touch base with you before we start heading into the holidays.

Do you and/or your team have any additional questions for the gasket folks or Olin and Oxy? Also, by chance do you have any ideas of the direction Canada might be taking?

I'm heading to Louisiana tomorrow but will be following emails and can be reached by cell, 703.622.4895.

Thanks a million,

Judith
